Beliefs

Leaders

We believe that providing a quality environment enhances self-esteem and thus creates the capability of becoming a leader.

Encouragers

We believe that people with the capability of encouraging will be able to work well in our cooperative society and have a positive effect on our world.

Achievement

We believe that all individuals should be self-driven and are capable of being achievers when given the opportunity to reach their full potential.

Responsible

Students as self-directed learners understand their responsibilities for achieving in a demanding and ever-changing community and society.

Nurturing

We believe providing a caring and nurturing environment is essential.

Excel

We believe that by providing a demanding, relevant curriculum, that is challenging both mentally and physically and includes experiences from the job world, we will better prepare all students for the 21st century.

Respect

We believe that mutual respect is essential between all people—students and staff, staff and staff, administration and staff, school personnel and board, school personnel and parents, school personnel and community.

Self-motivation

We believe that providing a quality environment enhances self-motivation and promotes life-long learning.

Elementary School

- Small class sizes with an average of 10 students per grade allow for an excellent student to teacher ratio allowing for individual student attention when needed
- Student/Computer Ratio: 2:1
- Along with a strong core curriculum, Accelerated Reader and Math are used to enhance learning.
- Technology is taught district-wide and begins in kindergarten with the teaching of keyboarding.
- High School involvement (Peer-to-Peer connection) with the elementary is introduced through reading visits by high school students and science fair judging.
- Active Safe & Drug Free School Program
- Each Grade is provided real-life experiences through out-of-classroom trips. A few of the past experiences include field trips to museums, coal mines, eco-ed days and quiz bowls
- A full-day Preschool is taught two days per week
- A strong Title I program is available to students and early intervention is encouraged.
- An After-School Program (M.O.S.T) is available to all students.
- Boys 4th, 5th, and 6th grade basketball and football programs
- Girls 4th, 5th, and 6th grade basketball, Volleyball and dance programs

Jr./Sr. High School

- Small class sizes allow an excellent student to teacher ratio with each student receiving individual attention as needed.
- Student/Computer Ratio: 2:1
- High Graduation Rate with a large percentage of students attending post-secondary schools.
- Midkota offers a strong academic and technology curriculum that continues into Jr/Sr. High.
- Accelerated Reading and Math are used to enhance the core curriculum
- Midkota joins thirty-six (36) additional schools in the Central Dakota Distance Learning Consortium in (CDDL) and works with other ITV systems across the state offering a large number of HS ITV classes to Junior & Senior Students. Students have the opportunity to register for up to 21 college credit hours, some offered locally and some over ITV.
- Midkota teachers teach many classes offered through CDTC. Midkota has three ITV rooms that enable us to teach between 100-150 students from several different schools throughout North Dakota.
- An After-School (M.O.S.T) tutoring program is available to all students.
- Safe & Drug Free School Program
- Each grade is provided real life experiences through out-of-classroom trips including Leadership Conferences, Midwest Technical Conference, Envirothon, Close-Up Trip to Washington, DC and Foreign Language class trips to Europe.

Midkota Mission Statement

All Children Will Learn in a
Challenging and Nurturing
Environment.
